

# Youth Homeless Demonstration Program (YHDP) Start-Up Slides

## Round 4/5

# Welcome and Today's Agenda

- Topics will include:
  - Program components
  - Eligible costs
  - Eligible participants
  - Match
- This training will likely not cover all of your questions, please follow up with your YHDP TA provider or submit a question to your Dedicated Desk Officer (DDO) and cc the Youthdemo email box at [Youthdemo@hud.gov](mailto:Youthdemo@hud.gov).

## Note on Program regulations and YHDP

- These slides cover some topics of the Continuum of Care Program, which are the governing regulations for YHDP.
- YHDP projects may be able to implement special YHDP activities that are outside of the CoC Program regulations. These activities are marked with \* throughout the presentation.
- Please note that project recipients may only implement special YHDP activities if the activity was included in the project application and, if applicable, the request was approved by HUD. If a project did not request a special YHDP activity in their application, it may not be implemented in the project.

## Overall Objective

- Recipients and subrecipients will be able to understand the CoC Program interim rule requirements and responsibilities related to project operation and grant administration.
- Recipients and subrecipients will be able to identify when special activities apply to their YHDP project and how those special activities are implemented.

- CoCs can have SSO projects dedicated to operating the CoC's coordinated entry

## Program Components- HMIS

- This component is only for HMIS Leads and allows HMIS Leads to support costs to manage and operate a CoC's HMIS
- Recipients funded under all other components may request an HMIS budget line item for costs of contributing client-level data to the HMIS, but cannot apply for HMIS funding under the HMIS program component

- Appropriate documentation will vary depending on
  - Type of assistance provided
  - Circumstances of the potential program participant, including individuals fleeing/attempting to flee domestic violence
  - Already available documentation
    - Discharge paperwork
    - HMIS service transactions

# Policies for Intake

## Remember...

# Match

# Match Requirements

- Must be able to document all costs using the same policies and procedures used to document CoC Program funding
- Match requirement – 25% cash or in kind for all line items except leasing\*
- Match is provided to the YHDP Program grant – not to a specific budget line item
- Matching funds can only be used on eligible YHDP Program costs

# Understanding Match

- Must be cash or in-kind contributions
- Covers eligible costs of the project
- Costs incurred by a partner organization to provide “in kind” services to program participants must be documented by an MOU prior to grant agreement execution
- Program income can be used as match (program participant rent that comes directly to the project can be counted as match)

## What Is Not Match?

- Cash or any in-kind contribution used as match for another grant
- Cash or in-kind contributions statutorily prohibited as match or ineligible under that program's requirements
- In-kind services provided without an MOU
- Program Participant Savings
  - Savings belong to the program participant, not the recipient or subrecipient
- Federal benefits provided directly to the program participant (e.g. food stamps)

# Match Examples

## Without Leasing Funds

Supportive Services \$25,000

Rental Assistance \$20,000

Project Admin (10%) \$4,500

Grant Total \$49,500

**Required Match \$12,375**  
**(25% \$49,500)**

## With Leasing Funds

Supportive Services \$25,000

Leasing \$20,000

Project Admin (10%) \$4,500

Subtotal (w/o leasing) \$29,500

**Required Match \$7,375**  
**(25% \$29,500)**

# Match and Budget Line Items

Cost	CoC Program Funds	Match	Total
Operating	\$100,000	\$0	\$100,000
Services	\$0	\$25,000	\$25,000
Project Administration	\$10,000	\$2,500	\$12,500
Total	\$110,000	\$27,500	\$137,500

# Match Documentation

- New projects must document formal match agreement (e.g., MOU for in-kind from a third-party) prior to grant agreement.
- If recipient needs to change its in-kind matching source, the match agreement must be in place before a new source can be counted as match.
- Must demonstrate match is spent on eligible activities and incurred within the grant period.
- Must keep source documentation (e.g., MOU) on file for review when needed.

# Cash Match Documentation

- Cash match should be substantiated with written documentation provided on the source agency's letterhead, signed, and dated by an authorized representative.
- Documentation must include:
  - Amount of cash to be provided for the project
  - Specific date the cash will be made available
  - Actual grant and fiscal year to which the cash match will be contributed
  - Allowable activities to be funded by the cash match

# In-kind Goods Match Documentation

- In-kind donations must be substantiated with written documentation provided on the source agency's letterhead, signed, and dated by an authorized representative.
- Documentation must include:
  - Description and value of the donated goods
  - Specific date and grant (including fiscal year) for which the goods will be contributed
  - Method used to determine the value of the donation

# In-kind Services Match Documentation

- An MOU for In-kind Services must be in place prior to provision of the service.
- The MOU must:
  - Provide an unconditional commitment to provide the service
  - Describe the specific service to be provided
  - Indicate the profession of persons providing the service and hourly cost of the service
  - The timeframe in which services will be provided
  - The system that will be used to document the actual level and value of services as provided

# Requirements Related to Housing Assistance

# Rent Reasonableness

- Ensures program participants are paying the same rents as other non-program participants.
- Rent paid may not exceed rents currently being charged by the same owner for comparable unassisted space.
- Must have written policies & procedures for documenting comparable rents
- <http://www.hud.gov/offices/cpd/affordablehousing/library/forms/rentreasonablechecklist.doc>
- [Virtual Binder: https://www.hudexchange.info/homelessness-assistance/coc-esg-virtual-binders/coc-leasing-rental-assistance-requirements/reasonableness/](https://www.hudexchange.info/homelessness-assistance/coc-esg-virtual-binders/coc-leasing-rental-assistance-requirements/reasonableness/)

# Rental Assistance Rent Limits

- Unit rents can exceed FMR but must meet Rent Reasonableness

## Relationship between FMR and Rent Reasonableness (Scenarios)

	1-Bedroom Housing Unit	2-Bedroom Housing Unit	3-Bedroom Housing Unit
Reasonable Rent	\$600	\$1,050	\$1,450

**Relationship between FMR and Rent Reasonableness (Scenarios)**

	1-Bedroom Housing Unit	2-Bedroom Housing Unit	3-Bedroom Housing Unit
Reasonable Rent	\$600	\$1,050	\$1,450
Fair Market Rent	\$575	\$1,100	\$1,450
Allowable Rent Payment with grant funds	\$575	\$1,050	\$1,450

# Rental Assistance Costs and Requirements

# Tenant-Based Rental Assistance (TBRA)

- Rental assistance follows the program participant
- Program participants locate housing of their choice
- If program participants move, they can take rental assistance to a new unit
- May require program participants to live in a certain structure or area for the first year of the program, but **ONLY** if it is necessary for service coordination

**Recipients with rental assistance funds for TH and PSH projects are required to charge program participants rent**

- Must treat all program participants the same
- Process for determining amount of charge must follow Section 578.77(c) of CoC Program interim rule

**Recipients with rental assistance funds for TH and PSH projects are required to charge program participants rent**

- Must impose rent that is **the highest of**:
  - 30 percent of the family's monthly adjusted income;
  - 10 percent of the family's monthly gross income; or
  - The portion of the family's welfare assistance, if any, that is designated for paying rent
- Income must be calculated according to 24 CFR 5.609 and 24 CFR 5.611(a)

# Rent: Rapid Re-housing

**Rapid re-housing projects are NOT required to charge program participants rent**

- Must treat all program participants the same
- Process for determining amount of charge must follow CoC Written Standards

# Geographic Mobility Amendment

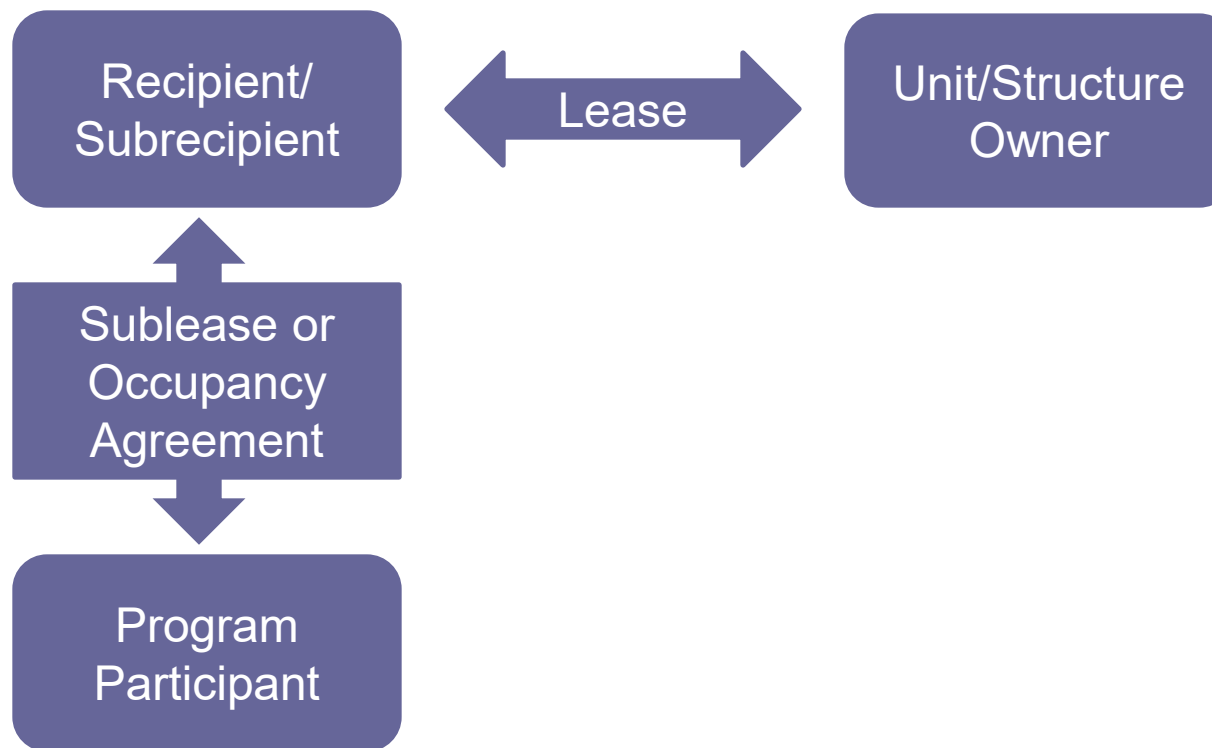

- Allows persons receiving TBRA to choose housing outside of the CoC's geographic area.
- Persons can move and retain assistance as long as recipient continues to meet certain requirements.

- Must treat all program participants the same
- Process for determining amount of charge must follow Section 578.77(b) of CoC Program interim rule

# Occupancy Charges

**Recipients with leasing funds are not required to charge program participants occupancy charges**

- May choose to impose occupancy charge equal to **no more than highest of:**
  - 30 percent of the family's monthly adjusted income;
  - 10 percent of the family's monthly gross income; or
  - The portion of the family's welfare assistance, if any, that is designated for paying rent
- Income must be calculated according to 24 CFR 5.609 and 24 CFR 5.611(a)

# CoC Utility Notice

# Purpose of Notice

- Notice clarifies HUD's expectation that recipients/subrecipients will consider reasonable monthly utility costs when calculating rent contributions or occupancy charges for program participants who are responsible for paying their own utilities.
- For the purpose of this notice, "utilities" exclude telephone but include gas, oil, electric, sewage, water, and trash removal.

# Notice Includes This Information:

- A. Notice Purpose
- B. Background
- C. Determining Appropriate Rent Contribution, Occupancy Charge, or Utility Reimbursement for Program Participants who are Responsible for their own Utilities
- D. Paying the Utility Reimbursement
- E. Maintaining Records

## Notice Applies to:

- CoC Program-funded programs ***where some or all of the utility costs are the responsibility of the program participant***

# Paying Utility Costs in TH and PSH

To determine tenant rent contribution, occupancy charge, or utility reimbursement:

1. Calculate the Program Participant's Rent Contribution or Maximum Occupancy Charge (24 CFR 578.77);
2. Subtract Amount of Local Utility Allowance; and
3. Determine the Rent Contribution, Occupancy Charge, or Utility Reimbursement Amount.

**Step 1 - Step 2 = Step 3**

# Here's an Example of a Utility Calculation

## TH & PSH with Rental Assistance Example (Rent Exceeds Utility Allowance):

<b>Rent Charge:</b>	<b>\$300</b>
<b>Utility Allowance:</b>	<b>\$30</b>
<b>New Rent Charge:</b>	<b>\$270 (\$300 – \$30)</b>

## TH & PSH with Rental Assistance Examples (Rent Does Not Exceed Utility Allowance):

<b>Rent Charge:</b>	<b>\$20</b>
<b>Utility Allowance:</b>	<b>\$60</b>
<b>Utility Reimbursement:</b>	<b>-\$40 (\$20 – \$60)</b>

# Paying Utility Costs in RRH

- **REMEMBER!** The rent contribution calculation at 24 CFR 578.77 does not apply to RRH projects
- RRH projects must follow the CoC's written standards for determining the amount or percentage of rental assistance that can be provided
- The recipient must take into account any utilities paid for by the program participant and reimburse any amounts that exceed the program participant's share of the rent

# A RRH Example of a Utility Calculation

<b>Rent Charge:</b>	<b>\$500</b>	<b>Rent Charge:</b>	<b>\$50</b>
<b>Utility Allowance:</b>	<b>\$50</b>	<b>Utility Allowance:</b>	<b>\$90</b>
<b>New Rent Charge:</b>	<b>\$450</b>	<b>Utility</b>	<b>-\$40 (\$50 - \$90)</b>
		<b>Reimbursement:</b>	

# Paying Utility Reimbursement

- **Program participant must be reimbursed for difference when:**
  - Local utility allowance exceeds required or maximum rent/occupancy charge
- **Reimbursement for overpayment can be made:**
  - To program participant
  - To utility company\*

\*Recipient/subrecipient must have program participant's permission and notify participant in writing of amount paid to utility company (to allow participant to pay any outstanding amounts).

# Maintaining Records

- **Recipient must retain records regarding:**
  - Utility schedules used to determine utility allowance
  - Occupancy charge policy (if applicable)
- **Program participants files must include:**
  - Annual income calculation per 24 CFR 578.103(a)(6)
  - Documentation of rent contribution, occupancy charge, or utility reimbursement and how amount was determined
  - Evidence of utility reimbursement when applicable (including written permission to pay utility company directly when applicable)

# Tips

- Local Public Housing Agencies can provide information about Local Utility Allowances
- All program participant contributions and occupancy charges are still calculated per 24 CFR 578.77 (except RRH)
- View examples of reimbursement calculations on pages 6-9 of the utility notice
- Submit any questions on the subject to the CoC Program AAQ at <https://www.hudexchange.info/program-support/my-question/>

# Housing Quality Standards

- All housing units must meet HQS\*
- Each unit must be physically inspected
  - Notice CPD-22-09 clarifies that physical inspections of units for compliance with HQS that are conducted on behalf of a recipient or subrecipient by a proxy (the proxy can be a landlord, property representative, tenant, or any adult associated with the eventual tenancy of the unit) using video streaming technology and kept on file by the subrecipient and recipient satisfies this requirement
- Owner has 30 days to correct any deficiencies
- Inspect units at lease up and at least annually
- HQS inspectors do not need to be certified
- Properties must also meet state and local codes

## Special YHDP Activity- HQS

If project applications included notification to HUD:

- YHDP recipients may use habitability standards in 24 CFR 576.403(c) rather than Housing Quality Standards in 24 CFR 578.75 for short or medium term (up to 24 months) housing assistance.
- Recipients implementing this special YHDP activity must keep documentation of which standards are applied to the units and proof that the units complied with the standards before assistance is provided for every unit funded by YHDP.

# Environmental Review

- ALL new and renewal projects receiving Federal funds (including all CoC Program activities) require an environmental review
- Environmental reviews must be conducted BEFORE funds are committed
- Activities under the CoC Program require environmental reviews by a Responsible Entity (RE) under 24 CFR 58

# Environmental Review Responsible Entity

- Under Part 58, only a Unit of General Local Government may act as a Responsible Entity and conduct environmental reviews
- Nonprofit recipients should work with state and local government to coordinate the environmental review process
- In very limited circumstances, HUD may perform environmental reviews for CoC projects pursuant to 24 CFR 50 if (1) a nonprofit is the recipient and (2) no responsible entity can be found
  - If organization isn't eligible, order of securing a responsible entity to complete an ER should be:
    - State
    - Local Government
    - HUD (If all else fails)

# Environmental Review

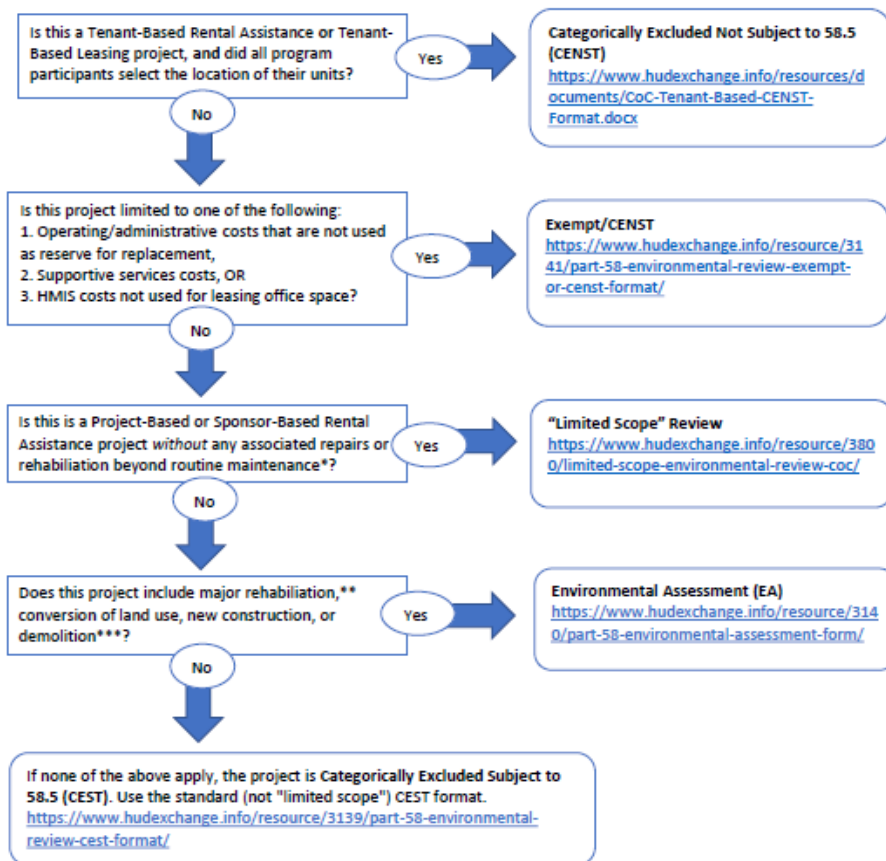

- Tenant-based *leasing* projects are not subject to Section 58.5
- Sponsor-based and project-based rental assistance and project-based leasing are classified as categorically excluded subject to 24 CFR 58.5 (CEST) and require a higher level of review than tenant-based rental assistance – called a “limited scope”
- Environmental Review Flow Chart can be found at <https://www.hudexchange.info/resources/documents/CoC-Program-Environmental-Review-Flow-Chart.pdf>

# Project Changes

# Significant Changes

- Significant changes require HUD approval through a formal grant amendment

For CoCs with more than one recipient, significant changes are:

- Change of recipient
- A shift of over 10% of the total amount awarded for one eligible activity to another activity
- A reduction in the number of units
- A change in the subpopulation served
- Change of project site
- Additions or deletions in the types of eligible activities approved for a project

# How to Request an Amendment

- For significant changes, UFAs and recipients should:
  - Prepare a detailed, written request to your assigned DDO
  - Explain the reason for the change
  - Justify same or better level of service will be provided
  - Attach all relevant revised application and technical submission exhibits reflecting the proposed change(s)

NOTE: It's also a good idea to discuss all changes with your CoC since UFAs are required to get the CoC's approval before submitting

# Minor Changes

- For minor changes, the recipient must:
  - Fully document any changes
  - Notify the Field Office of the change so LOCCS and other reporting systems can be adjusted
  - Maintain documentation and make it available to HUD during monitoring and compliance reviews or upon request
